To better serve our customers, the Town of Greentown is changing the water meter deposit to a utility deposit. If you have a current water meter deposit being held by the town, please sign and return the authorization form below to change it to a utility deposit. If we do not receive your signed authorization form in the utility office by **January 31, 2017**, your meter deposit on file will be returned to you and a new utility deposit of \$ 150.00 will be required to continue service.

I, _____ residing at _____
authorize the Greentown Utility Office to rollover my current water meter deposit to a utility deposit.
