

TRASH RULES

Every home and business should have a 96 gallon toter to use.

All trash must be bagged and fit into one toter. What goes in? household waste such as food waste, unrecyclable package items, and misc. Household waste (junk items) are to be disposed of in your toter.

You may put out double trash on our pick-up day after Christmas and New Year's Day, which is the heaviest time for trash.

We will still have our special Spring and Fall Clean Up for large items not collected weekly.

Waste Management will continue to pick up Christmas trees.

**Please remove trash & recycle toters from curb promptly.
Thank you for your cooperation**

REMOVAL DAY & TIME

Pickup day is
WEDNESDAY
beginning at
6:00 A.M.

- Trash pick-up is each week.
- Recycle pick-up is every other week.

Holiday Schedule

Waste Management will observe the following holidays:

*New Years Day
Memorial Day

765-628-3263

Greentown Trash & Recycling Program

**Greentown hires
Waste Management
for weekly trash and
bi-weekly recycling
removal.**

**Property taxes and your
monthly fee
are used to pay for
this service.**

Serving our Residents!

Why Recycle? It makes Sense.

- **REDUCES WASTE**
It reduces the waste going to landfills.
- **REDUCES POLLUTION**
The more we recycle, the less garbage we leave on the earth.
- **SAVES ENERGY**
Recycling one aluminum can saves as much electricity as it takes to run a television set for four hours.
- **CONSERVES VALUABLE NATURAL RESOURCES**
It takes approximately 17 trees to produce one ton of newspaper.
- **STRENGTHENS THE ECONOMY**
Reclaiming resources puts money back into the local economy and provides jobs in the recycling industry.

Single-Stream Recycling Service

Use your green container with the yellow lid to place all your recyclables together, no sorting needed! Place your container at the curb on collection day.
