NEW APPLICANTS

All applicants applying for a position with the Town of Greentown must have a high school diploma or GED certificate. All employee benefits begin after 90 days of employment. Pre-employment drug testing is part of the pre-employment physical which must be completed before an applicant may begin employment.

PAY PERIOD

Payroll shall be paid on the 15th and 30th of each month unless a holiday dictates that an earlier pay date shall be necessary for banking purposes. Pay period is from the 26th of the previous month to the 10th and from the 11th through the 25th. Payment shall be made by direct deposit.

OVERTIME

On occasion, employees are required to work overtime to satisfy our citizens' needs. Therefore, employees are expected to work a reasonable amount of overtime when required. When overtime is necessary, employees will receive as much advance notice as possible. If for some reason an employee is unable to work overtime, he should discuss it with his supervisor. No employee shall work overtime without the approval from the relevant department supervisor. Any hours worked over eight (8) hours in a twenty-four (24) hour period or forty (40) hours in seven (7) days, shall be considered overtime. The Town Marshall, Water Operator, and Wastewater Operator are exempt from the overtime provisions of the FLSA and shall not be entitled to overtime pay.

Compensatory time may be used for overtime at the rate of 1.5 hours of compensatory time for every one hour of overtime. The scheduling and approval of compensatory time off shall be at the supervisor's discretion. Employee preference will be given consideration if said time off will not adversely affect departmental work activity. Compensatory time must be used by the end of the calendar year and does not carry forward. Accrued but unused compensatory time is forfeited upon separation of employment from the Town of Greentown.

An employee may carry over up to forty (40) vacation hours from one calendar year to the next with the approval of his/her supervisor. Vacation time shall be limited to two (2) weeks maximum per event unless Town Council President extends time limit. All vacation days must be pre-approved by the employee's department head.

If an employee leaves in good standing after completing at least one year of employment, the employee shall be paid for any accrued but unused and uncompensated vacation leave up to 224 hours.

Part-time utility office employees shall accrue paid vacation time as above, but prorated for the number of hours they are normally scheduled to work each week. For example, an employee that works four (4) days per week and has one-year seniority shall receive thirty (30) hours of paid vacation.

An employee is expected to work each assigned day during that two-week period. Furthermore, use of paid leave cannot be granted beyond the last day the employee is physically present at work. Leaving in good standing entitles the employee to consideration for future reemployment or rehire. The resignation letter should be sent to the Town Supervisor or Town Council.

FUNERAL

Employees are eligible for leave with pay for attending the funeral of certain relatives or members of their household. This shall not exceed three regularly scheduled consecutive working days and the days must be in conjunction with the date of the death or the funeral. Such leave may be granted upon the death of: your spouse, father, mother, son, daughter, brother, sister, grandparent (including greats); grandchild (including greats) or the spouse of any of these. If you are married, leave may be available for the same members of your spouse's family. You also may be able to take funeral leave for a person living in the same household with you.

Days off must be approved by supervisor. If additional time off is required, an employee may be able to use, with their supervisor's approval, sick, compensatory, or vacation time.

PERF – RETIREMENT

The Town of Greentown has elected to participate in the Public Employees' Retirement Fund (PERF) and all full-time employees are covered by the Indiana Public Employees' Retirement Fund (PERF) as allowed by Indiana Code 5-10.3-6-1. The employer contribution rate is established by INPRS.

SICK TIME

Full time employees of the Town of Greentown shall accrue paid sick leave according to the following schedule:

An employee who has had six or more months of continuous service for the town and is disabled because of personal illness or injury is eligible for salary payments for six months, subject to Town Council review after the first two weeks.

Once an employee is placed on disability or sick leave, his or her sick days and vacation days are frozen. When he or she returns, they can begin using their frozen sick or vacation time. The Town reserves the right to require due proof of personal injury or sickness and all payments are contingent on the furnishing of such proof when required. The two weeks prior to the start of the disability will be unpaid. The employee has the option of using a combination of sick and/or vacation time until the start of disability payments.

Employees must make clear that their postings represent their own views and opinions, not those of town officials. First Amendment rights apply when you are contributing to the debate on matters of public concern, but do not apply when you are merely griping about your job, coworker, or superiors.

CELL PHONE

The town recognizes the benefits of text messaging for convenient and expedient real-time business communications. These modes of communication have the potential to be abused, however, resulting in such problems as lost productivity, harassment, security concerns and even possible legal liability.

Employees are strictly prohibited from transmitting messages with obscene, profane, lewd, derogatory, or potentially harassing/discriminatory content. Employees must not send messages they know or have reason to believe, may be false or misleading.

Any text messages sent using town's resources should not be considered private. The town reserves the right to monitor all such messages. These messages are subject to disclosure to outside third parties including the court system and law enforcement agencies. Violations will result in discipline up to and including employment dismissal.

The term text messaging includes all electronic posts, messages, or graphics; whether sent by email, instant messaging, social media, cell phone texting or other similar technology. Indiana Code 9-21-8-59.
